## SWN2.4G@SSOE Login Guide

For school users who are using older devices, they might not be able to see the SWN@SSOE network name on their devices.

They will need to manually configure their devices to connect to another network name (SWN2.4G@SSOE) which supports 2.4GHz frequency band.

## To connect to SWN2.4G@SSOE WIFI:

- 1. On your device, under "Settings", select "Connections", enable your "WIFI".
- 2. Select "Add network".

Under Network Name, type in
"SWN2.4G@SSOE", under Security , select "None".

4. Upon connected to "**SWN2.4G@SSOE**", you will be redirected to a login page.

- If you are not directed to the login page, go to "http://portal.swn.moe.edu.sg"

- Check the "I accept the terms and disclaimer agreement".
- Login with your IAMS credentials to continue

\*If you have forgotten your IAMS password, please fill up the online form here

5. If you are connecting to "**SWN2.4G@SSOE**" WIFI for the first time, please select "**Click Here**" to download and install "MOE-MSS" certificate. (You only need to install once).
