# About the Hildan Chorale

The Hildan Chorale, a vibrant SSAA (Soprano and Alto) chorale group consisting of talented individuals, has an impressive track record. Staying anchored through the seasons, we proudly achieved awards at the SYF Arts Presentation – Distinction in 2013, 2015, 2017 and Accomplishment in 2023. In 2022, we participated in the Voices of Singapore Festival. In 2023 and 2024, we attained a Silver Award at the 7th and 8th Singapore International Choral Festival. Our mission revolves around nurturing the singing potential of our girls and providing them with opportunities to shine individually while creating a dazzling ensemble that illuminates our musical journey.
