What we do?

- ★ In this CCA, we applied photography & videography skills acquired in capturing momentous events through photos and videos.
- ★ We also do in-house productions for key celebrations and events such as Lunar New Year and Teachers' Day celebration.

- ★ During trainings, you will discover the basic and intermediate skills of photography and videography.
- ★ Application of skills learnt through photography duties and creation of montages for school events.
- ★ Put your skills to test by participating in photography or videography competitions.
