1 Introduction to NPCC

- Established in 1959, NPCC is a youth uniformed group in Singapore with a mission to develop active citizens and community leaders supported by the Ministry of Education and Singapore Police Force.
- Mission: Develop members as active citizens & community leaders in partnership with SPF to fight crime & keep Singapore safe.
- Vision: To be the best youth organization in Singapore contributing to making Singapore the safest place globally.

2 Components of NPCC

Essential Fundamentals

- Drills, Campcraft, Police Knowledge are key components of NPCC fostering discipline, outdoor skills, and policing expertise.
- Drills instill discipline & camaraderie among cadets; rifle drills are vital for parades like NPAP and NDP.
- Campcraft includes tent-pitching, knot tying, and flagstaff building activities for outdoor learning experiences.
- Police Knowledge covers CSI, Police Procedures, Road Safety, and visits to Police Establishments, enhancing policing skills of cadets.

Other Activities in NPCC

Beyond the Basics

- Activities like Camps, Parades, Enrichment courses, Competitions, and overseas learning journeys augment cadet experiences in NPCC.
- Camps, Parades, Enrichment courses, and Competitions offer diverse experiences for cadets in NPCC.
- Parades such as NPAP and NDP allow cadets to showcase their training in drill competitions and interact with other units.
- Cadets participate in enriching activities like Kayaking, First Aid, Unarmed Tactics, and Revolver Handling courses in NPCC.

4

Parades in NPCC

Showcasing Skills

- NPCC cadets engage in parades like NPAP and NDP to demonstrate their drill skills and interact with peers from different units.
- Parades offer cadets the chance to display their drill training and interact with fellow cadets from various units in NPCC.
- Participation in parades such as NPAP and NDP allows cadets to showcase their drill skills and engage with others in NPCC.
- Cadets in NPCC use parades like NPAP and NDP to showcase their training in drills and build connections with peers from different units.

5 Enrichment Courses

Broadening Horizons

- Cadets attend courses like Kayaking, First Aid, and Policing tactics to broaden their horizons and enhance their skills in NPCC.
- Enrichment courses in NPCC cover a range of topics like Kayaking, First Aid, and Policing tactics for skill development.
- Courses on unarmed tactics and revolver handling in NPCC enhance cadets' skills in policing procedures and safety measures.
- Enrichment courses like Kayaking, First Aid, and Policing tactics provide cadets with diverse skill sets and knowledge in NPCC.

Unit Camp Experience

Building Bonds

- Annual unit camps in NPCC offer cadets a chance to bond interact and learn within a supportive environment with seniors and juniors.
- Unit camps provide cadets in NPCC with opportunities for bonding, learning, and interaction with peers, seniors, and juniors.
- During the unit camp, cadets connect with seniors, juniors, and peers, fostering a supportive and inclusive environment in NPCC.
- Unit camps in NPCC facilitate interactions, bonding, and learning experiences for cadets with seniors, juniors, and peers.

Achievements
